## Missionary Information

**Name:** Kayla Broadrick

**Location:** Cambodia

**Email:** Kaylakebob@gmail.com

**Brief Description of Ministry:** I work in Hope House, which provides a place to live and get a high school education for students who come from villages without schools. While here, we teach them the truths of the Word of God through church and discipleship meetings.

**Urgent or Ongoing Prayer Request:** Please pray that these students would be able to return to their home villages after graduation and spread the light of the Gospel into unreached places.
