## Missionary Information

---

**Name:** Jeff and Deanne Davoll

**Location:** Guayaquil, Ecuador

**Email:** davollfamily6@gmail.com

**Brief Description of Ministry:** We evangelize, focusing on our law enforcement and first responders as we consider them a “least reached” people group. We engage national pastors to connect new and growing believers with the local church throughout Ecuador, to strengthen the church planting ministry of national partners as they serve in their respective locations. We are also training the next generation to do the same.

**Current Ministry Goals:** Our current goals are to disciple 23 new believers in Christ, establish a regular monthly Bible Study on Grupo de Operaciones Especiales base in Guayaquil, disciple Patricio and Laura as they serve in Riobamba/Guano and train 3 churches in evangelism and discipleship of officers in Quito, Guayaquil and Manta.

**Urgent or Ongoing Prayer Request:** Laborers! The harvest is here, we can't get to all of those who have truly come to faith in Jesus Christ. Wisdom, as we strategically use our personal and ministry time, resources and energy.
